

POSITIVE PLAY YMCA YOUTH SOCCER

FOR YOUTH DEVELOPMENT®
FOR HEALTHY LIVING
FOR SOCIAL RESPONSIBILITY

The Y Youth Sports program helps kids become not only better players, but better people as well.

Youth Soccer is an exciting sport combining team play and individual skills. It's a progressive program, with multiple age-specific levels. Kids get a chance to develop skills in a healthy welcoming environment. Session will begin with team practice, where kids will learn the basics of soccer (passing, dribbling and kicking). Small sided games will allow for players to have many opportunities to work on individual and team development.

Tennis shoes and or soccer cleats (plastic molded to the bottom of the shoe) are suitable, shin guards are encouraged.

Register at the front desk, online or call 715-845-2177.
