

Become a

Daisy Girl Scout

4K Girls—You can be a Daisy Girl Scout too!

What do 4K Daisy Troops do?

Girls can enjoy nature, help others, earn patches and badges, go on field trips, and make new friends. Girls begin their journey with 2 staff-led troop meetings designed to teach families how the program operates and culminates in an awesome day camp experience!

Membership in this program costs \$40 and includes all program materials and Girl Scout membership for 2018 and all of 2019. Day camp registration has an additional \$5 fee. Altogether this is over \$100 in savings for new scouts! Financial aid to cover program costs is available for any family upon request.

If you are interested in getting your daughter involved or volunteering with a 4K troop, now is the perfect time! Parents are encouraged to attend meetings to learn how volunteering is a great way to spend quality time with your daughter, have tons of fun alongside of them, and make a positive impact in your community!

Come Get to Know Girl Scouts!
