

# *Hello Wausau Community!*

My name is Dr. Keith Hilts, Wausau School District's new Superintendent of Schools. I have been out in our schools and across our community conducting listening sessions. I want to learn about the Wausau community's values, needs, concerns, hopes, and dreams for our school district!

**I invite you to participate in a listening session on  
Monday, October 22, 2018  
at 9:30 AM in the Wausau Community Room  
at the Marathon County Public Library, 300 1st Street, Wausau**

Students in the Wausau School District have exceptional learning opportunities. The School Board, staff, and administration are focused on advancing student learning, achievement, and success, as well as meeting the ever-changing needs of students and families. Together, we will take the next steps in shaping the bright future of education in the Wausau School District by **HONORING TRADITIONS, IMAGINING POSSIBILITIES, and ENGINEERING CHANGE.**

The information and feedback that you and others share will be used to inform the development of strategic directions and planning goals for our school district.

*I look forward to meeting you!*
