

SCHOOL LUNCH WEEK

#NSLW2020 Activities

HELP US CELEBRATE NATIONAL SCHOOL LUNCH WEEK OCTOBER 12-16 VIRTUALLY!

This year's theme is "Lights, Camera, Action!"

So let's start the film rolling

- Please capture yourself eating your favorite lunch! Using the attached menu, prepare and serve up one of the meals provided from your weekly meal bags using a meal tray or dinner plates from home (you could include yourself in the photo!). You may either draw a picture or take a snapshot and email it to : abunkelm@wausauschools.org all entries submitted will be put into a drawing for the chance to win a bike! ***Be sure to include your name, address and phone number with your entry.*** There will be 2 bikes given out as prizes!
- Using the locally-grown apple provided in your weekly Fresh Fruit and Vegetable bag (which was purchased from Wilson Creek Orchard), please take a photo of yourself "crunching" into the apple, in honor of the "Great American Apple Crunch". If you would like to possibly see your "crunching" picture on Wausau School District Social Media sites and/or the district web page, please send your pictures to: abunkelm@wausauschools.org
- **Be ready to share your child's favorite movie title with the staff distributing meals at the meal sites on Monday, Oct. 12.** We will compile the titles and create a "favorite" list for you to enjoy at home. We hope you enjoy the popcorn provided in your weekly meal bags during the MOVIE MARATHON!

- Be sure to check back on our webpage as we update it with the winners.
