

## G.D. Jones Elementary

If passed, the November 3rd referendum would include the funding needed to make the following improvements at G.D. Jones:

### Safety & Security Enhancements

- Upgrade fire alarm, clock and PA systems, emergency generator

### Learning Space Modernization

- Remodel space near IMC to create maker space for project-based learning
- Repurpose space near cafeteria into 4K support spaces and Community Room for co-curricular and community events
- Toilet room renovations and ADA upgrades
- Update technology (equipment, spaces, access)

### Building Repairs

- Address required maintenance (flooring, LED lighting and asphalt/concrete repairs)
- Update sidewalks, playground surfaces and equipment

### Student Support Space Expansions

- Reconfigure existing Special Education space to create Special Education, Sensory and Kindergarten rooms
- Add staff to provide full pupil services teams (Question #2)

### What's on the ballot?

#### BOND REFERENDUM

Question #1 - \$155,000,000

**\$0.00 PER MONTH**

**BOND IS FOR BUILDING**

If approved, keeps tax rate the same (due to old debt being replaced with new) while funding necessary building improvements and maintenance. These dollars would be used for a new elementary school to serve Grant and Lincoln students, district-wide safety and security updates, elementary and middle school remodels and additions, modernization, infrastructure and technology improvements.

#### OPERATIONAL REFERENDUM

Question #2 - \$3,000,000

**\$0.00 PER MONTH**

**LEVY IS FOR LEARNING**

If approved, keeps tax rate the same (due to old debt being replaced with new) while funding the additional staffing needed to provide full pupil service teams at each elementary school. These dollars would also be used for operational expenses.
