

**What's on the ballot?**

**BOND REFERENDUM**  
Question #1 - \$155,000,000

**\$0.00 PER MONTH**

**BOND IS FOR BUILDING**

If approved, keeps tax rate the same (due to old debt being replaced with new) while funding necessary building improvements and maintenance. These dollars would be used for a new elementary school to serve Grant and Lincoln students, district-wide safety and security updates, elementary and middle school remodels and additions, modernization, infrastructure and technology improvements.

**OPERATIONAL REFERENDUM**  
Question #2 - \$3,000,000

**\$0.00 PER MONTH**

**LEVY IS FOR LEARNING**

If approved, keeps tax rate the same (due to old debt being replaced with new) while funding the additional staffing needed to provide full pupil service teams at each elementary school. These dollars would also be used for operational expenses.

# Horace Mann Middle School

If passed, the November 3rd referendum would include the funding needed to make the following improvements at Mann:

**Safety & Security Enhancements**

- Remodel existing office and main entrance to create secure entrance, with reconfigured health and administrative offices
- Upgrade fire alarm, clock and PA systems, emergency generator and elevators

**Learning Space Modernization**

- Remodel IMC to create a Foreign Language and Community Room for co-curricular and community events on first level, with two new resource rooms, circulation desk and IMC office on second level
- Remodel six existing classrooms into resource rooms
- Build new physical education and fitness space off existing gym and remodel existing locker rooms
- Toilet room renovations and ADA upgrades
- Update technology (equipment, spaces, access)

**Building Repairs**

- Address required maintenance (windows, doors, casework, LED lighting)
- Update exterior surfaces (sidewalks, concrete, asphalt)

**Student Support Space Expansions**

- Remodel existing weight room into Special Education room

**SEE PROPOSED PLAN ON BACK**
