

What's on the ballot?

BOND REFERENDUM
Question #1 - \$155,000,000

\$0.00 PER MONTH

BOND IS FOR BUILDING

If approved, keeps tax rate the same (due to old debt being replaced with new) while funding necessary building improvements and maintenance. These dollars would be used for a new elementary school to serve Grant and Lincoln students, district-wide safety and security updates, elementary and middle school remodels and additions, modernization, infrastructure and technology improvements.

OPERATIONAL REFERENDUM
Question #2 - \$3,000,000

\$0.00 PER MONTH

LEVY IS FOR LEARNING

If approved, keeps tax rate the same (due to old debt being replaced with new) while funding the additional staffing needed to provide full pupil service teams at each elementary school. These dollars would also be used for operational expenses.

Maine Elementary

If passed, the November 3rd referendum would include the funding needed to make the following improvements at Maine:

Safety & Security Enhancements

- Remodel main entry corridor and create secure entry to control visitor access
- Upgrade fire alarm, clock and PA systems, emergency generator

Learning Space Modernization

- Build gymnasium addition to separate from cafeteria and reduce scheduling conflicts
- Remodel Science Room to create maker space for project-based learning
- Renovate existing Special Education Room into Community Room and student services suite near main office
- Remodel and expand Health Room
- Toilet room renovations and ADA upgrades
- Update technology (equipment, spaces, access)

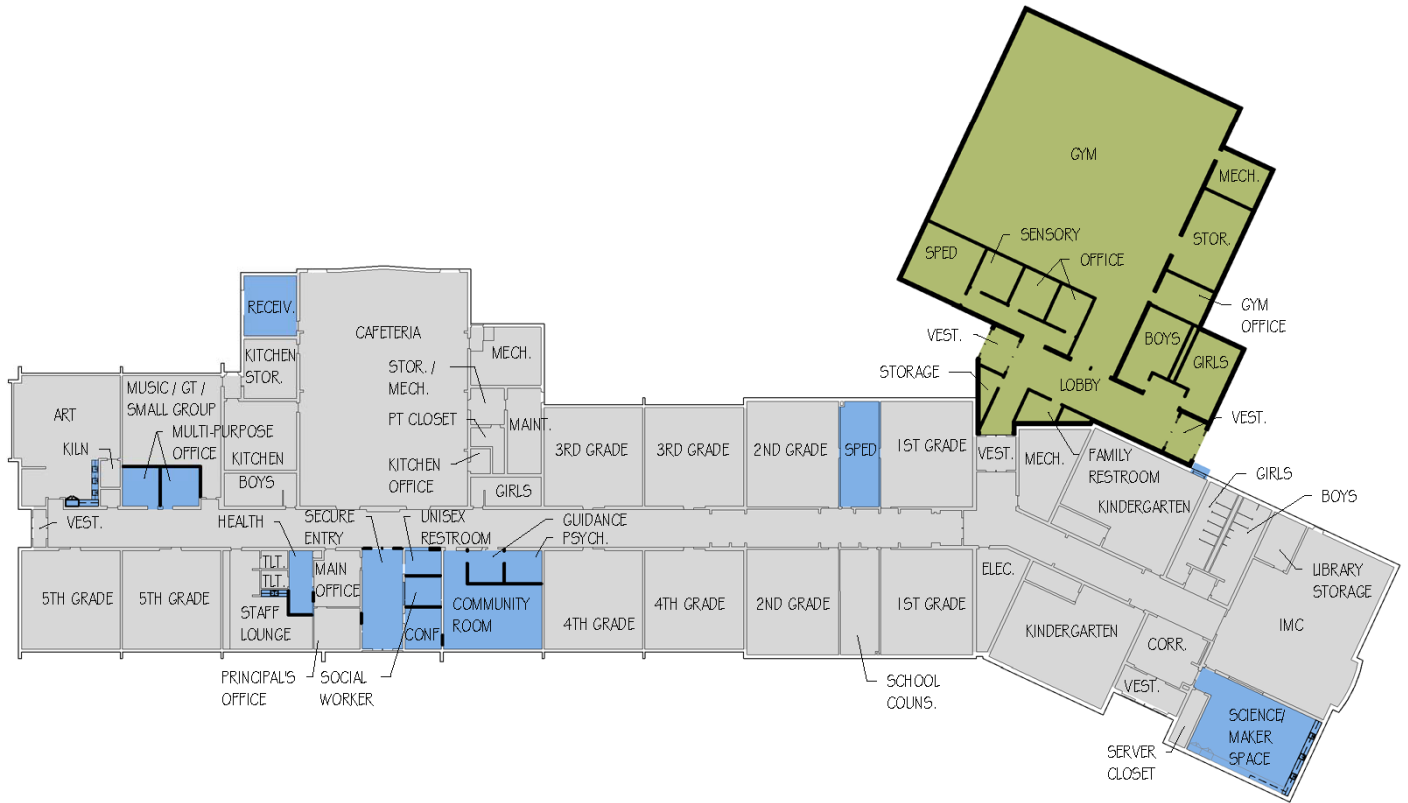

Building Repairs

- Address required maintenance (roof, windows, doors, floors, windows, LED lighting)
- Update playground surfaces and equipment
- Add driveway, security fencing, parking and sidewalk

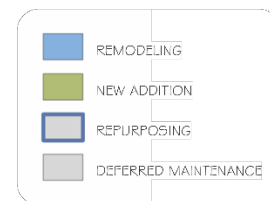

Student Support Space Expansions

- Remodel existing Special Education space and create additional space and Sensory Room in new addition
- Add staff to provide full pupil services teams (Question #2)
