

**What's on the ballot?**

**BOND REFERENDUM**  
Question #1 - \$155,000,000

If approved, keeps tax rate the same (due to old debt being replaced with new) while funding necessary building improvements and maintenance. These dollars would be used for a new elementary school to serve Grant and Lincoln students, district-wide safety and security updates, elementary and middle school remodels and additions, modernization, infrastructure and technology improvements.

**OPERATIONAL REFERENDUM**  
Question #2 - \$3,000,000

If approved, keeps tax rate the same (due to old debt being replaced with new) while funding the additional staffing needed to provide full pupil service teams at each elementary school. These dollars would also be used for operational expenses.

# South Mountain Elementary

If passed, the November 3rd referendum would include the funding needed to make the following improvements at South Mountain:

**Safety & Security Enhancements**

- Remodel main entrance to expand secure entry and control visitor access
- Upgrade fire alarm, clock and PA systems, emergency generator

**Learning Space Modernization**

- Build classroom addition with resource room, flex space and four new classrooms (grades 4 and 5)
- Add two Kindergarten classrooms
- Build cafeteria addition to separate from gymnasium and reduce scheduling conflicts and include a Community Room for co-curricular and community events
- Create Science Room and maker space for project-based learning
- Reconfigure grade-level classrooms
- Toilet room renovations and ADA upgrades
- Update technology (equipment, spaces, access)

**Building Repairs**

- Upgrade HVAC systems for improved air quality and temperature
- Address required maintenance (doors, floors, LED lighting, roofing, asphalt repairs)
- Update playground surfaces and equipment
- Expand parking

**Student Support Space Expansions**

- Reconfigure and remodel existing support spaces and Guidance Office
- Add staff to provide full pupil services teams (Question #2)
